1. You are the owner of the login details, and you will share them only with those persons working on a map. You shall not publish, online in any channel or in print, these login details.
2. Map hosting is free for the first 10 maps and chargeable thereafter. 3ie will host the maps of its members for free, regardless of the number. 5. Maps can only be accessed and displayed directly on the 3ie website (for maps co-produced with 3ie) or through a link provided to the named organisation's website.
6. The user cannot modify the functionality of the platform, only the content of a map.
7. You agree to update your map(s) every three years or certify that it does not need to be updated.
8. This agreement may be modified by 3ie at any time.
